

Chemistry Major Application Form

Full Name:

Date:

College:

CUID#:

NetID:

Class year:

List all courses that you have enrolled in/plan to take next semester:

Do you intend to do graduate work in Chemistry? Yes No

Do you intend on going to medical school? Yes No

Do you intend to do a double major? Yes No

- If so, what will be your second major?

Who is your current advisor?

Department:

Are you doing research currently?

Yes No

- If so with whom?

Department:

Are you interested in doing research in the future? Yes No

Please choose as many specializations of chemistry that you are interested in from the list below:

Analytical Chemistry

Inorganic Chemistry

Physical Chemistry

Biophysical Chemistry

Organic Chemistry

Theoretical Chemistry

Chemical Biology
